Dresses and Tops

Take TWO Measurements:

(A)
Chest or
"high bust"

(B)
Full bust

If the full bust is 2" or more larger than the high bust, substitute the high bust measurement for "bust" on the measurement chart when buying patterns.

tape position when full bust is higher

Measure snugly. Place tape under shoulder blades in back. On a lower-busted body, the tape for the full bust measurement may be an inch or more below the shoulder blades.
